

Character Days will continue this year and the schedule is below. On Character Days students may wear a shirt the color of the pillar being celebrated that month. Shirts must be easily identifiable as the color for that day. Shirts must also be tucked into school uniform pants. If the student is not able to tuck in a particular shirt, it would be best to pick a different one to wear that day. Sweaters and sweatshirts, if the appropriate color, will not be required to be tucked in.

I will be offering a drawing in March and April for who gets to select the pillar for April and May. These will be announced at school and posted in the newsletter.

| Wednesday                  | Pillar of Character | Color of Pillar |
|----------------------------|---------------------|-----------------|
| September 14 <sup>th</sup> | Respect             | Yellow          |
